

MESSAGE APPLICATION GUIDE

Pastor Jeff Bucknam

Acts 2:42–47

1. Why do some Christians spend such little time in Scripture? What makes it hard to “devote yourselves to the apostle’s teaching?”

2. Does God speak to us apart from the Bible? If so, how? If not, how do you explain the experiences other Christians have where they claim “God told me”?

3. What does it mean that the early church devoted themselves to the fellowship? How is the fellowship Luke is talking about different than the fellowship we have with each other?

4. Why is it so hard for us to share our stuff with others? What will motivate us to share more?

5. What does it mean to break bread with each other? How is the Christian breaking of bread different than the breaking of bread that is common in our society?

6. Why is the church so disunified?
