

DIRTY CHURCH

PART 2

All In?

Dr. Jeff Bucknam | 1 Corinthians 10:14–22

1. Read Ezekiel 16:6-22. How is Israel described in this text? How is God described? How does God feel about Israel's forgetting about what He has done for her? Why?

2. Why are churches where only happy things are taught so popular? Are they a reaction to something done by churches in the past? What are the dangers of not warning people of what happens when they don't continue in faith, firm to the end?

3. What does communion mean? Do you have to be in a "prepared" state to take communion? Why or why not?

4. What are the kinds of idols in our day that threaten to draw us away from allegiance to God? What makes them so tempting to trust?

5. How do you convince someone who is living their lives with divided allegiances between God and other loves to wholeheartedly commit to the Lord? Is someone who isn't fully committed to Jesus truly saved? What does it look like to be "fully committed"?
