Why You Can Trust the Bible

Pastor Larry Geisler | 2 Timothy 3:14–17

What are the biggest questions about the Bible in our culture? How would you answer them?

Who is the person who showed you the truth of God’s Word? How does your relationship with that person increase your faith that God’s word is trustworthy?

**How did the truth of the Bible lead you to faith in Christ?
How does that encourage you to know more of God’s Word?**

**What does it mean for us if the Bible is “breathed out by God?”
How should we treat the Scripture He has given us?**

How has the Bible proved to be profitable in your life?

How should you pay closer attention to the warnings and commandments in God’s Word if the Word is trustworthy?

How would your life change if you had a greater knowledge of the promises God has given us in His Word?
