

ECCLESIASTES

This Fleeting Unfulfilling Life

Pastor Jeff Bucknam | Ecclesiastes 1:1-11

1. Are you ever depressed? What causes it? Why is it hard to get out of it? What do you do for help when you feel depressed?

2. When people talk about the insignificance of life and the pointlessness of so many activities we invest our energy in how do you feel? Why?

3. How can we still work hard at the things set before us in this world while not letting them give us hope that they can't fulfill?

4. Why are Christians hesitant to talk about the realities of living in the fallen world? Why do we feel the need to "put on a happy face"? Is this a uniquely Christian problem or a society-wide one? How can we become a community where we are more honest about living in the fallen world?

5. Read Philippians 4:10-13. What is the secret Paul refers to in verse 12? How do you learn the secret? How do you live differently because you know it?
