

ECCLESIASTES

The Unpredictable Life

Pastors T. Creutz, J. Nichols, J. Thompson | Ecclesiastes 9:11-18

1. Read Ecclesiastes 8:16-9:18 What are some things that stick out to you and why?

2. Talk about a time when you didn't receive the recognition you deserved. How did that make you feel?

3. Who is someone you believe doesn't get the recognition they deserve for how wise they are?

4. How does it make you feel that you could do "everything right" and still it does not work out for you? What should our response be to that reality?

5. Read James 4:13-15. How does this passage help inform us how we should live knowing that our wisdom isn't a guarantee?

6. What can help us trust God more in life's unpredictability and seeming unfairness?
