

# ECCLESIASTES

## The End of the Matter

Pastor Tommy Creutz | Ecclesiastes 12:1-14

1. What's been the most significant thing you have learned or grown in during our study of Ecclesiastes?

---

2. Read Matthew 6:25-34. How are we to live knowing that so much is unknown and fleeting in life?

---

---

---

---

3. Where do you turn for wisdom? How can you grow in wisdom? How do you respond to the prodding of God's wisdom?

---

---

---

---

4. What's something that you have been trying to find in the Hebel of this world, that you need to remember is only found in God?

---

---

---

---

5. How does it make you feel knowing that, "God will bring every deed into judgment, with every secret thing, whether good or evil"?
