

Parables of The Kingdom

Hidden Treasure

Pastor Jeff Bucknam | Matthew 13:44-46

1. Why is the Kingdom of Heaven such a treasure? What do those in the Kingdom receive now? What do they receive in the age to come?

2. Why do Christians live half-hearted lives in commitment to Jesus? How can we foster greater commitment in our hearts?

3. How is the image of a woman in labor (Romans 8:18-24a) such an appropriate picture for what it's like to live as Christians in this world awaiting the return of Christ?

4. Why do we struggle to believe God would love us like the story of the Prodigal Son says he does? How can we help ourselves and each other to feel the love of God more?
