

STRANGERS

IN A STRANGE LAND

Our Living Hope

Pastor Jeff Thompson | 1 Peter 1:3–12

1. Read 1 Peter 1:3-12. Why do you think Peter would begin his letter by talking about hope?

2. When have you found it difficult to hope?

3. Read 2 Corinthians 4:16-18. What do you think Paul means by, “an eternal weight of glory”? How have you seen afflictions preparing you for that?

4. How does it make you feel knowing that your salvation is secure? What makes you doubt that truth? How can you fight against feelings of doubt?

5. How have you found hope to fuel your worship of God?

6. What have you found to be the most helpful when you are in a season of suffering?

7. Take some time to remember God’s faithfulness in your life. When was a time of trial and waiting that you saw him answer prayer? How has God given you peace and joy in the middle of a trial?

8. How can you stir up greater hope as you follow Jesus?
