

STRANGERS

IN A STRANGE LAND

Christian Conduct

Pastor Jeff Bucknam | 1 Peter 2:11-12

1. How much of a problem is it that Christians continue to sin so brazenly? Can you be a Christian and keep sinning this way?

2. Do people obey God more when they hear God's commands or when they consider God's grace? Why?

3. What kinds of tools or practical things have you done to fight sin in your life? What has been most helpful and least helpful?

4. What effect does hypocritical Christian conduct have on unbelievers? What effect does holy Christian conduct have? Do you have examples of each that come to mind?

5. Is there anything else in 1 Peter 2:11-12 that you noticed that wasn't highlighted in the sermon?
