

WE ARE ALL
WITNESSES
THE BOOK OF ACTS

One Great Speech

Dr. Jeff Bucknam | Acts 17:22–31

Ice Breaker:

When was the last time you shared your faith with someone? What was that like?

Understanding the Context:

How does Paul's understanding of the Athenians in Acts 17:22-34 influence how he engages them with the Gospel?

Connecting to the Gospel:

Read verses 26-27. How do you understand the phrase "that they should seek God"? What does that tell us about God's heart toward humanity?

Paul highlights the character of God throughout his sermon at the Areopagus. What aspects of God's character stand out to you the most in this passage?

Living out the Truth:

What elements from Paul's sermon can you implement in your own witnessing?

Which attribute of God from Paul's sermon could you meditate on this week that would enrich your affection toward Christ?

Accountability:

In what areas of your life do you need to surrender control and trust that God is at work?

Parenting Moment:

Take a moment and read Proverbs 16:9 together with your child(ren). Ask them what this verse means. Encourage your child(ren) that God is in control of all things, all truth is God's truth, and He is worth following! Pray with them that they would live believing that God is in control.
