When Faith Gets Tested

Pastor Cory Anderson | John 6:1–15

1. How do you usually respond to problems? Are you more like Philip and Andrew (John 6:7–9), or do you see problems as tests from God and trust him in faith?

2. What is the difference between Philip in John 6:7 and Philip in Acts 8:4-13, 26-40? What happened to Philip that brought about the change?

3. Share about a time you faced something impossible in your life, and you trusted God to take care of it?
